Waste Audit Loan Kit

Schools and community groups in Perth's eastern region now have the opportunity to borrow the EMRC's Waste Audit Loan Kit. Waste auditing is the first step in understanding what kinds of waste are being generated by your organisation and helps start conversations about what you can do to minimise or avoid waste.

Our Waste Audit Loan Kit aligns with the State Government's Waste Wise Schools Program. Schools are advised to conduct a waste audit every six months to track their progress. The loan kit can be borrowed for up to one week.
